DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on 02/17/2010 has been considered by the examiner.

Drawings

2. The drawings were received on 02/17/2010. These drawings are accepted by the Examiner.

Allowable Subject Matter

3. Claims 1-20 are allowed.
4. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of claims 1-8 and 10-20 is the inclusion of the limitation of a high pass filter connected between the first and second radiating elements, which high pass filter provides an RF bridge between the first and second radiating elements and thereby allows RF signals to pass, so that the first and second radiating elements are operable as one single radiating element. It is this limitation found in each of the claims, as it is claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.

The primary reason for the allowance of claim 9 is the inclusion of the limitations of a third radiating element together with a second control input (V_{switch2}) connected to the third radiating element via a low pass filter, wherein the third radiating element is connected to the second radiating element by means of a second switch; and a second

grounding portion arranged on the first radiating element which is connected to ground via a second high pass filter blocking DC signals, and a low pass filter arranged between the second radiating element and ground. It is these limitations found in the claim, as they are claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes this claim allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
